Important – Your Tariff is Changing

Dear Mr John Smith,

We have been informed by your utility supplier **Your Company** that your tariff will change as of the **10/09/2026**.

Your new tariff will be:

Utility Supply	Unit Charge	Daily Availability Charge
<utility-supply>	<unit-charge>	<availability-charge>
<Reason for Change>		

Struggling to pay?

Please check the reverse of this letter for advice and support on managing your finances.

Get debt advice

You can also find advice on managing debt problems and budgeting through:

- MoneyHelper (moneyhelper.org.uk)
- National Debt line (nationaldebtline.org)
- StepChange (stepchange.org)

You can find more details about how tariffs are calculated at <https://mysycous.com/help-and-support>, including videos on how heat networks and heat meters work.

Please contact us on **0333 880 3115** today or email us at hello@mysycous.com if you wish to discuss this tariff change.

Yours faithfully,

mySycous Support Team

How to pay?

In-Store:

You can make a cash payment at any PayPoint outlet in the UK, just take any mySycous statement with a barcode to make your payment.

Set up a Direct Debit:

0333 880 3115

Please note: Direct Debits can only be taken at least ten days after they are first set up. Please bear this in mind when clearing your overdue balance.

Online: mysycous.com

Login or register to your online account at mysycous.com/online and click to make a payment.

App: mySycous

You can also make an online payment to your account via the mySycous app. Simply login or register your account on the mySycous app and tap the payments tab.

Telephone: **0333 880 3115**

You can call to make a payment 24/7 through our automated service using a UK credit or debit card.

Help to pay?

If you are struggling to pay your utility or heating bills the solution isn't to be cold or switch off essential utility supplies. In the first instance, please get in touch, we can help you set-up payment plans to manage your outstanding debt and provide useful help and support.

It is worth remembering we are not your utility supplier but provide an administration service on behalf of your utility supplier. This means we are not responsible for setting tariffs and other costs. You can find out more at mysycous.com.

If you are struggling with managing your finances there are a number of organisations who can help, including the **Money Advice Service** (moneyadviceservice.org.uk) and for general support you can contact **Citizens Advice** on **0808 223 1133** or visit citizensadvice.org.uk.

Want to make a complaint?

We're sorry to hear that. We recognise that we do make mistakes and we want to do everything we can to sort it out, and to improve our service to you.

You can make a complaint by Getting in Touch with our team at **0333 880 3115**, or email us at hello@mysycous.com. Our support team will manage your complaint in line with our complaint process that you can find at mysycous.com/want-to-make-a-complaint.

Energy efficiency advice

You can get independent energy saving advice from a number of independent sources, including Simple Energy Advice (www.simpleenergyadvice.org.uk) and the Energy Saving Trust (energysavingtrust.org.uk). Find out more about Energy Efficiency mysycous.com/help-and-support/energy-saving-advice.

Register your online account!

Visit mysycous.com/online or download the **mySycous app** to set up your online account.

To set up your account:

1. Click to **Register**.
2. Enter your **email address**.
