

Season Greetings

SYCOUS®

Highlights from our year!

Joining **National Energy Action (NEA)** for their Nations Biggest Housewarming!

Raising awareness for **International Womens Day 2022!**

Litter picking with **Litter Free Leeds!**

Sycous Movember Campaign **(We raised £800!)**

Supporting our residents with on-site engagement events and activities.

Our colleagues at Brunata visiting the Sycous office from Denmark!

Its beginning to look like Christmas at the Sycous office!

In 2022...

Our engineers travelled over...

200,000 miles

completing installation,
commissioning and maintenance
projects across the UK.

We've also processed over...

400,000,000 meter readings

1,000,000 transactions

400,000 statements

through our metering and billing software
Mabdeck!

Season
Greetings

From the team at

Thank-you for all your support during 2022.
We wish you every success in 2023!

SYCOUS[®]
